Rubicon Minerals, Fronteer Development Group, Aurizon Mines, and Claude Resources Lead the Cadre of Mining Companies Presenting at the 2010 Spring Break for Wall Street Growth & Value Equity Conference

FORT LAUDERDALE, Fla., March 4, 2010 (GLOBE NEWSWIRE) -- Some people seem to feel that there is nothing more valuable than gold or special metals these days, four of the finer such companies in that industry are presenting at the Spring Break for Wall Street Growth & Value Equity Conference in Fort Lauderdale this evening, hosted by LDV Capital Management.

The event will be from 4:00 p.m. to 9:00 p.m. at the Sheraton Suites Cypress Creek Fort Lauderdale Hotel. 555 NW 62nd Street, Fort Lauderdale, Florida 33309.

Rubicon Minerals will present at 5:00 p.m. in Salon Two and again at 6:10 p.m. in Salon Four.

Fronteer Gold will present at 5:00 p.m. in Salon Seven.

Aurizon Mines will present at 6:10 p.m. in Salon One.

Claude Resources will present at 5:35 p.m. in Salon Six.

Aurizon Mines (AMEX:AZK): Aurizon is a gold producer with a growth strategy focused on developing its existing projects in the Abitibi region of north-western Quebec, one of the world's most favourable mining jurisdictions and prolific gold and base metal regions, and by increasing its asset base through accretive transactions. Aurizon shares trade on the Toronto Stock Exchange under the symbol "ARZ" and on the NYSE Amex under the symbol "AZK". Additional information on Aurizon and its properties is available on Aurizon's website at <http://www.aurizon.com>.

Claude Resources (AMEX:CGR): Claude is a gold exploration and mining company whose entire asset base is located in Canada. Since 1991, Claude has produced approximately 845,000 ounces of gold from its Seabee Operation located in Northern Saskatchewan. The Company also owns 100% of the 10,000 acre Madsen property in the prolific Red Lake gold camp of Northwestern Ontario. Its vision is to be highly valued by all stakeholders for its ability to discover, develop and produce gold in a safe, environmentally responsible and profitable manner. For more information see www.clauderresources.com.

Fronteer Development Group (AMEX:FRG): Fronteer intends to become a significant gold producer. Their solid financial position and strong operational team give them the ability to advance their key gold projects through to production. Their future potential production platform includes their Long Canyon, Sandman and Northumberland projects -- all located in Nevada, one of the friendliest gold-mining jurisdictions in the world.
