

## Growth & Value Equity Conference

*"Spring Break for Wall Street"*

Wednesday March 3<sup>d</sup> and Thursday March 4<sup>th</sup>, 2010

### SUMMARY CORPORATE PROFILES

**Aethlon Medical (OTCBB: AEMD):** Aethlon Medical, Inc. creates diagnostic and therapeutic device solutions for infectious disease and cancer. The lead product, the Hemopurifier(R) is the first-in-class medical device to selectively capture circulating viruses and immunosuppressive proteins prior to cell and organ infection. Human studies have documented the ability of our Hemopurifier(R) to reduce viral load in patients infected with Hepatitis-C virus (HCV) and the Human Immunodeficiency Virus (HIV). For more information see [www.aethlonmedical.com](http://www.aethlonmedical.com)

**Aflac (NYSE: AFL):** For 55 years, Aflac insurance policies have given policyholders the opportunity to focus on recovery, not financial stress. In the United States, Aflac is the number one provider of guaranteed-renewable insurance. In Japan, Aflac is the number one insurance company in terms of individual insurance policies in force. Aflac insurance products provide protection to more than 50 million people worldwide. Aflac Incorporated is a Fortune 500 company listed on the New York Stock Exchange under the symbol AFL. To find out more about Aflac, visit [www.aflac.com](http://www.aflac.com).

**Athersys (NASDAQ: ATHX):** Athersys is a clinical stage biopharmaceutical company engaged in the discovery and development of therapeutic product candidates designed to extend and enhance the quality of human life. The Company is developing MultiStem(R), a patented, adult-derived "off-the-shelf" stem cell product platform for multiple disease indications, including damage caused by myocardial infarction, bone marrow transplantation and oncology treatment support, ischemic stroke, and inflammatory bowel disease. The Company is also developing a portfolio of other therapeutic programs, including orally active pharmaceutical product candidates for the treatment of metabolic and central nervous system disorders. For more information, see [www.athersys.com](http://www.athersys.com).

**Aurizon Mines (AMEX: AZK):** Aurizon is a gold producer with a growth strategy focused on developing its existing projects in the Abitibi region of north-western Quebec, one of the world's most favourable mining jurisdictions and prolific gold and base metal regions, and by increasing its asset base through accretive transactions. Aurizon shares trade on the Toronto Stock

Exchange under the symbol "ARZ" and on the NYSE Amex under the symbol "AZK". Additional information on Aurizon and its properties is available on Aurizon's website at <http://www.aurizon.com>.

**Bluefire Energy (OTCBB: BFRE):** BlueFire Ethanol Fuels, Inc. was established to deploy a commercially ready conversion of cellulosic waste materials ("Green Waste") to ethanol, a viable alternative to gasoline. BlueFire is the only cellulose-to-ethanol company worldwide with demonstrated production of ethanol from urban trash (post-sorted MSW), rice and wheat straws, wood waste and other agricultural residues. BlueFire is one of four companies awarded funding from the U.S. Department of Energy under the Energy Policy Act of 2005 to construct cellulosic biorefinery production facilities. For more information, please visit [www.BlueFireEthanol.com](http://www.BlueFireEthanol.com).

**Brandywine Realty Trust (NYSE: BDN):** Brandywine Realty Trust is one of the largest, publicly traded, full-service, integrated real estate companies in the United States. Organized as a real estate investment trust and operating in select markets, Brandywine owns, develops and manages a primarily Class A, suburban and urban office portfolio aggregating approximately 34.8 million square feet, including 25.4 million square feet which it currently owns on a consolidated basis. To find out more about Brandywine, visit [www.brandywinerealty.com](http://www.brandywinerealty.com).

**Chico's FAS (NYSE: CHS):** The Chico's brand is a women's specialty retailer, currently operating 599 boutique and 45 outlet stores. The Company also operates 1,084 specialty stores, including stores in 48 states, the District of Columbia, the U.S. Virgin Islands and Puerto Rico. According to Yahoo Finance, their market capitalization is \$2.5 billion. For more information, see [www.chicosfas.com](http://www.chicosfas.com).

**Claude Resources (AMEX: CGR):** Claude is a gold exploration and mining company whose entire asset base is located in Canada. Since 1991, Claude has produced approximately 845,000 ounces of gold from its Seabee Operation located in Northern Saskatchewan. The Company also owns 100% of the 10,000 acre Madsen property in the prolific Red Lake gold camp of Northwestern Ontario. Its vision is to be highly valued by all stakeholders for its ability to discover, develop and produce gold in a safe, environmentally responsible and profitable manner. For more information see [www.clauderresources.com](http://www.clauderresources.com).

**Converted Organics (NasdaqCM: COIN):** Converted Organics is dedicated to producing high-quality, all-natural, organic soil amendment and fertilizer products through food waste recycling. The Company uses its proprietary High Temperature Liquid Composting (HTLC) system, a proven, state-of-the-art microbial digestion technology, to process various biodegradable food wastes into dry pellet and liquid concentrate organic fertilizers that help grow healthier food and improve environmental quality. Converted Organics sells and distributes its environmentally-friendly fertilizer products in the retail, professional turf management, and agribusiness markets. For more information, see [www.convertedorganics.com](http://www.convertedorganics.com).

**Data Storage Corp. (OTCBB: DTST):** Data Storage Corporation DSC delivers and supports through its various divisions a broad range of premium solutions focusing in electronic data storage and protection. Clients look to DSC to ensure disaster recovery and business continuity, strengthen security, and to meet increasing industry, State, and Federal regulations. The company markets to business, government, education, and the healthcare industry by leveraging leading technologies such as Virtualization, Cloud Computing, and Electronic Medical Records (EMR). The company provides hardware, Software-as-a-Service, managed IT services, installation, and maintenance. Additional information about Data Storage Corporation is available on the company site: [www.dscorp.net](http://www.dscorp.net).

For more information, see <http://www.otmionline.com>.

**Petrobras (NYSE: PBR):** Petrobras is Brazil's largest energy company. They closed 2008 with a production of 2.4 million barrels of oil equivalent, a milestone reached by few companies in the world. PBR has 112 production platforms, 78 of which fixed and 34 floating, and 15 refineries with installed capacity to process 2.2 million barrels per day. They also have 5,998 service stations all over Brazil, in addition to another 990 of them in 27 countries on four continents. Profit surged from \$1.373 billion, in 1997, to more than \$13 billion in 2007. For more information, see [www.petrobras.com.br](http://www.petrobras.com.br)

**Pyrolyzer, LLC:** Pyrolyzer LLC is a renewable energy consulting firm dedicated to the recovery of energy from waste. Our purpose is to negotiate value added projects for our clientele. Ideal projects generate five revenue streams including carbon credits. Facility EBITDA objectives range from 2-4 years depending on the location, financing terms, and feedstock. The company concentrates their efforts in converting waste into usable products such as power, PyroGas™, potable water, carbon dioxide, carbon black, and biodiesel. For more information, see [www.pyrolyzerllc.com](http://www.pyrolyzerllc.com).

**Rogers Oil and Gas Corp.:** Rogers Oil & Gas Corp. is dedicated to the business of acquiring oil and gas assets across North America, based on objective and thorough analysis of options. We believe that there is a tremendous opportunity for oil discovery and extraction in southeast Saskatchewan Bakken Formation. The potential for oil exploration has been well known in this region since the early 1950's however it was only recently that technology and the market value of the barrel made this region a potentially sound project. For more information, see [www.gorogers.com](http://www.gorogers.com).

**Rubicon Minerals (AMEX: RBY):** Rubicon Minerals Corporation is a well-funded exploration and development company, focused on exploring for gold in politically safe jurisdictions with high geological potential. Rubicon controls over 65,000 acres of prime exploration ground in the prolific Red Lake gold district of Ontario which hosts Goldcorp's high-grade, world class Red Lake Mine. In addition to its Red Lake holdings, Rubicon also controls over 380,000 acres surrounding the Pogo Mine in Alaska as well as 225,000 acres in northeast Nevada. Rob McEwen, President and CEO of McEwen Capital and former Chairman and CEO of Goldcorp, owns 21.5% of the issued shares of the Company. For more information, see [www.rubiconminerals.com](http://www.rubiconminerals.com).

**Seafarer Exploration Corp. (SFRX.OB):** Seafarer Exploration Corp. brings the collective vision and opportunities of our personnel and shareholders together to attempt to build long-term shareholder value. Our business philosophy is based on a few core fundamentals: solid management, operational excellence, transparency and a sound business strategy. We believe that this is an exciting time for the archaeologically-sensitive exploration and recovery of historic shipwreck sites! For more information, see [www.seafarercorp.com](http://www.seafarercorp.com).

**SMF Energy Corporation (Nasdaq CM: FUEL):** The Company is a leading provider of petroleum product distribution services, transportation logistics and emergency response services to the trucking, manufacturing, construction, shipping, utility, energy, chemical, telecommunication and government services industries. The Company provides its services and products through 34 locations in the 11 states of Alabama, California, Florida, Georgia, Louisiana, Nevada, Mississippi, North Carolina, South Carolina, Tennessee and Texas. The broad range of services the Company offers its customers includes commercial mobile and bulk fueling; the packaging, distribution and sale of lubricants and chemicals; integrated out-sourced fuel management; transportation logistics and emergency response services. For more information see, [www.mobilefueling.com](http://www.mobilefueling.com).

**T3 Motion, Inc (OTC BB: TMMM.OB):** T3 Motion, Inc. (OTC.BB:TMMM - News) specializes in cost-effective, clean-technology vehicle solutions for professional markets including law enforcement, security, retail, government and the military. The company is dedicated to raising the bar on vehicle environmental standards and green energy solutions. In 2006, T3 Motion revolutionized the world of personal mobility with the introduction of its flagship T3 Series electric standup (ESV) vehicle. The foundation of T3 Motion vehicles is the company's proprietary power management technology that maximizes range and minimizes recharging time. For information, email [sales@t3motion.com](mailto:sales@t3motion.com), call 714-619-3600 or visit [www.t3motion.com](http://www.t3motion.com).
